

# The Working People's Day of Action Rally

## FEB. 24, 2018

## Noon → Downtown Chicago

“Strong unions help to create strong schools for students and even stronger communities that benefit everyone. For decades, unions have been the best path to the middle class for working people, especially people of color and women. But unions are under attack, at the ballot box and at the Supreme Court with cases like Janus v. AFSCME. Come stand with us and give a strong collective voice for our students, our schools and our unions. We are stronger united!”

— Kathi Griffin, IEA President
